#### About Artists for Obama:

\* *Artists for Obama* intends to help ensure the full participation of Obama delegates on the national scene with a silent art auction of original works of art. Several original portraits of Senator Obama will be unveiled at the event!

\* Collectively, these artists represent a local, creative voice in Barak Obama's grass-roots campaign that has blossomed into a national presidential movement

\* This collaboration was formed to benefit elected Obama delegates in need of defraying costs to attend the Democratic National Convention
